2. Introduction

FB Pipeline Pty Ltd was issued with a water retail licence for the sale and supply of water services on 4th June 2013. The Water Retail Code – Minor and Intermediate Retailers sets out requirements we must comply with in relation to the provision of our water services.

More information on these requirements can be found in our Customer Charter at www.fbmservices.net

3. Purpose

This document outlines our customer enquiry, complaints and dispute resolution processes detailing the requirements for recording, managing and responding to enquiries and complaints received and the escalation process. This document should be read in conjunction with our Customer Charter and other policies where specified.

This process applies to all enquiries and complaints received from external customers and consumers via telephone, in writing, in person or electronically.

The process ensures that customers are fully aware of the channels available to them to raise queries or complaints about our services. It also ensures that accurate information is collected and can be used to analyse trends and areas for improvement.

This document is reviewed periodically and may be subject to change.

4.1. Commitment to customer enquiries

FB Pipeline Pty Ltd will ensure our staff are equipped with the necessary knowledge and skills to provide quality service to customers.

Our staff will:

- Treat customers in a polite and courteous manner
- Obtain any details necessary to ensure the customer receives the service they require
- Attempt to resolve the matter at the first point of contact
- Make an accurate record of the contact so the matter can be tracked, monitored and reported
- Respond to all enquiries in a timely and efficient manner

5. Complaints and dispute resolution

FB Pipeline Pty Ltd welcomes feedback including the lodgement of any complaints you may have as a customer (either property owner or tenant) with our service. It provides us with an opportunity to maintain your confidence and trust as well as improve our customer service.

We consider complaints as an opportunity to better understand dissatisfaction with our service, and provide you with a response in order to arrive at a resolution. It may be related to our products, services, or the complaints handling process itself. If you are dissatisfied with any aspect of our services or products, please contact us so that we can resolve your concerns.

5.1. FB Pipeline Pty Ltd's commitment to complaints and dispute resolution

We will address customer concerns with a view to resolving issues in a friendly, timely and efficient manner. We will:

- Listen to your concerns
- Identify ourselves
- Ensure that our correspondence has a contact name and telephone number
- Respect your right to privacy
- Provide you with high quality information and advice
- Provide information and guidelines in plain language

When contacting us with a complaint we ask our customers to:

- Treat us with courtesy
- Be honest in all your dealings with us
- Provide us with information when requested to help us address the issue

5.1.1. Complaints Management Guiding Principles

We are committed to following the complaints management guiding principles when handling your complaints:

1. **Visibility** - Information about the 'how and where' to make a complaint is visible to customers, staff and other stakeholders.
2. **Accessibility** - Complainants can easily access the complaints management process and the methods of making complaints will be flexible.
3. **Responsiveness** - All complainants should receive timely acknowledgement that their complaint has been received and best endeavours will be made to provide a response within the required response targets.
4. **Objectivity** - Each complaint will be addressed in an equitable, objective and unbiased manner.
5. **Charges** - No fees will be charged to manage legitimate customer complaints and enquiries.
6. **Confidentiality** - Personally identifiable complainant information should be available where needed, but only for the purposes of addressing the complaint within FB Pipeline Pty Ltd. The complainant's information will be actively protected from disclosure, unless the customer expressly consents to its disclosure.
7. **Customer-focused Approach** - A customer-focused approach will be adopted and the right for customers to disagree with us will be respected and supported by providing and promoting an accessible, timely, fair and friendly process for the lodgement and management of customer complaints.

8. Accountability – FB Pipeline Pty Ltd will ensure that systematic reporting of customer complaints against documented standards and lessons learned is undertaken.
9. Continual Improvement - Analysis of customer complaints will drive improvement in customer service and the complaints handling process.

5.2. How to make a complaint

There are two ways to contact and lodge a complaint with us:

1. **Speak to our Company Secretary**

If you are dissatisfied with any of our products or services, please contact us on (08) 86352250 or 0417 832 949 and discuss your concern with our Company Secretary. Alternatively, you can speak to us in person at 50 Snapper Road, Fisherman's Bay.

Our Company Secretary is able to resolve most of your concerns over the telephone at the first point of contact. If you remain dissatisfied with the outcome, you may request to have your complaint reviewed by the Board of Directors who will further investigate this matter.

2. **Write to us**

If you prefer, write to us at the following address with the details of your complaint:

The Secretary
FB Pipeline Pty Ltd
PO Box 210
PORT BROUGHTON SA 5522

Alternatively you can send an email to fishermans_bay@bigpond.com.

Upon receipt of your letter or email, we will provide you with a written acknowledgement of your complaint as well as the contact details of the staff member who will be managing your complaint.

5.3. Method of response

We endeavour to resolve all complaints at the first point of contact. However, there are some instances where this is not possible and further investigation may be required. In these instances, we will acknowledge receipt of your complaint within five business days and aim to provide you with a resolution within twenty business days.

Should we be unable to meet the timeframes, we will advise you of our suggested course of action and timeframe, as well as the name of a contact person for any further queries regarding this matter.

As a general rule, we will respond via the same channel as the complaint is received unless advised otherwise.

5.4. Complaint escalation

If you have attempted to resolve your concerns through the above process without resolution, you may escalate your complaint to the Board of Directors for further review.

If the matter still cannot be resolved, you will be advised of your option to escalate your grievances to an external dispute resolution body.

The Energy and Water Ombudsman of South Australia can assist with complaints regarding billing, account payment, connection, supply, marketing and customer service.
